Mrs M Madziyire

Foundation Phase

Head of Department

Mrs R Jäckel

Foundation Phase consists of Grades R to 3. There are 11 ladies managing this section. These ladies work in loco-parentis and are qualified in teaching the foundation phase and they employ the Montessori Method of learning, where children learn through play.

Classroom Activities

English is our language of instruction and communication. Our learners in Grade R are well catered for. Most of them progress to grade 1 equipped with skills that facilitate their learning. Emotionally these learners would have matured hence them, progress is usually smooth. Learners do written activities in English and Maths every day. In Life Skills they have written activities which vary according to grades. Life Skills also covers areas of creative arts, performing arts and physical education. Our phase has a reading period every day where those who struggle get to be assisted when the able learners are reading readers.

Grades 1 to 3 have Maths and English homework; this is done to reinforce concepts covered in class. Foundation phase learners have English readers which they take home to read and learners are assigned pages / passages to read at home from their English readers. Feedback can be in the form of Reading assessments. This could be Paired reading, Group guided reading or Individual Reading.

Sports

From a sport perspective we offer soccer, table tennis, netball and volleyball as our main sporting activities. Seasonal sports include athletics, bulletjie rugby, chess and action cricket to name a few.

Our primary school takes busses to the municipal sports grounds every Wednesday and our high school get transport every Monday and Wednesday for their sports training.

We look forward to having your child in our Foundation Phase next year.

Sincerely

Mrs M Madziyire and Mrs R Jäckel
