WELCOME TO THREE TIMES THE FUN

Grade 3

Grade 3 A Subject Teacher
HOD – Foundation Phase
Mrs M Madziyire

Grade 3 A Register Teacher
Ms C. Cicero

Grade 3 B Teacher
Mrs S Manzonzo

Grade 3 C Teacher
Mrs V. Chikumbu

Dear Parent

In Grade 3, there are 3 classes and the teachers have great experience in teaching in the Foundation Phase. Four subjects are offered namely; Maths, English, Afrikaans and Life Skills

All subjects are important and the learners have written activities for every day of the week. Our learners also enjoy the robotics classes every week.

Every Friday the learners write a spelling and mental maths test. Every term learners receive a list of words to practise for all the spelling tests written in that term.

The classroom environment is conducive to learning. We have a reading period every day and our grade 3 learners practise speeches on different topics. This equips them for speaking skills so that they do not struggle when they get to High School. We also offer remedial classes every afternoon to learners who might be struggling in certain subjects.

Our learners have started their Robotics journey in their new state of the art robotics lab. We expect great things from and for our learners with robotics.

Grade 3 learners write 2 sets of exams during the year – the June and November exams. We ensure that these exams are written under proper exam conditions.

From a sport perspective we offer soccer, table tennis, netball and volleyball as our main sporting activities. Seasonal sports include athletics, bulletjie rugby, chess and action cricket to name a few.

Our primary school takes busses to the municipal sports grounds every Wednesday and our high school get transport every Monday and Wednesday for their sports training.

Learners enjoy going on excursions every term! In term 4 the learners take part in a concert that is presented by the Primary School on Prize Giving day.

Respectfully yours

Mrs M Madziyire, Ms Cicero, Mrs S Manzonzo and Mrs Chikumbu

Grade 3

Hello! Are you ready to join us in Grade 3!

We are so happy to hear that we might be your grade 3 teachers next year.

We are super excited that you will be completing your foundation phase with us as we are going to learn many new things in all our subjects. We are also going to have lots of fun along the way and I cannot wait for you to join us.

Sports

At SA College we want you to have a healthy mind in a healthy body so we also have various sports activities. On Wednesdays, we go for sports at the Tshwane Municipality grounds. We do a lot of activities which include soccer, netball, mini cricket and bulletjie rugby. You will enjoy going on outings to play against other schools and make new friends as we are entered in the netball and soccer leagues.

We have different clubs / activities from Monday to Friday so you will not be bored after school. On Monday there is math club, aerobics, chess and library. By the way, our library is full of exciting books to read and believe us, you will enjoy reading them. We help with the library and are looking forward to seeing you there.

At the end of every year, on prize giving day, we have a concert presented by the primary school learners. I am sure you will find this event exciting!

You will get to showcase your talents in the form of dance, drama, poetry and singing. This is one event that all the learners look forward to from the beginning of the year.

Each class presents something during the concert and all the learners take part.

No one will be left out. We are looking forward for you to show us your talent.

We know that you will enjoy your time here as SA College Private School.

I am very excited and am looking forward to having lots of fun and learning and experiencing new things with you throughout the year!

We cannot wait to meet you.

Your soon to be Teacher!
