HIGH FIVE

Grade 5A Teacher
Mrs Ncube

Grade 5B Teacher
Mrs Mutigwa

Grade 5C Teacher
Mr Chihozhwa

Dear Parent

We have three Grade 5 classes. These outstanding teachers have decades experience in teaching in the Intermediate Phase, and cannot wait to teach your young ones.

Academics

All lessons follow a well scheduled time table, this allows us to use learning time very effectively. The teachers are very focused on punctuality and time is valued; therefore, all learning time is used productively. The environment in the classrooms is very conducive to learning, and we have beautifully coloured informative charts on the walls. Learners are encouraged and motivated by the Top 10 Achievers Awards Ceremony at the end of every term. This is to acknowledge the continuous effort that the learners have put into their work. We are a formidable team, who will leave no stone unturned, in providing 100% to our learners.

Sports and Extra Mural Activities

Our grade has a wide range of Sport activities, namely: soccer, netball, cricket, table tennis, athletics. Our primary school takes busses to the municipal sports grounds every Wednesday and we are further privileged to engage in sports competitions with the surrounding schools. This extends an opportunity for our learners to have an all-inclusive learning environment. Every afternoon learners are offered a host of extra murals such as Chess, Maths club, Spelling B, Aerobics, Science club, Debate and Public Speaking. This is to create a holistic child and equips our learners with extra skills that are required in the daily challenges of their life.

Excursions

Learners have the opportunity to go on excursions every term. These trips give our learners the opportunity to experience some adventure and to become mentally independent.

Respectfully Yours

Mrs Ncube, Mrs Mutigwa and Mr Chihozhwa
