SIX WAYS TO BE GREAT

WELCOME TO GRADE 6

Grade 6 A
Ms Dyasi

Grade 6 B
Mr D. Verwey

Grade 6 C
Mrs Gwangwa

Dear Parent

We have three Grade 6 classes. In Grade 6, we keep our number of learners low per class, this is to benefit the learners and promote learning. These remarkable teachers have vast experience in teaching and developing minds in the Intermediate Phase. In Grade 6, there are six subjects: English Home Language, Afrikaans First Additional Language, Mathematics, Natural Science and Technology, Social Science and Life Skills. Their timetable is made up of 9 lessons daily and lesson attendance is 100%.

Every week, Grade 6 learners have an Afrikaans reading period and a reading period in English. Our learners have started their Robotics Journey in their state-of-the-art lab. We expect great things from and for our learners.

Learners who are not coping receive individual assistance after school in the different subjects from Monday to Thursday. We are striving for excellence, and the after-school lessons have greatly benefited a lot of learners. All learners receive extra exercises for enrichment.

At the end of the year, Grade 6 learners get a chance to be appointed as leaders. This gives learners the confidence in improving their leadership skills and in maintaining discipline amongst themselves, and values such as integrity, responsibility and honesty.

From a sport perspective we offer soccer, table tennis, netball and volleyball as our main sporting activities. Seasonal sports include athletics, bulletjie rugby, chess and action cricket to name a few.

Our primary school takes busses to the municipal sports grounds every Wednesday and our high school get transport every Monday and Wednesday for their sports training.

Every term, learners in Grade 6 embark on different Educational Tours and Excursions. All learners also participate in an end year concert. Olympiad competitions in Maths and Natural Science have shown fantastic results for the learners.

Respectfully Yours

Mrs Gwangwa & Ms Dyasi & Mr D. Verwey

Grade 6

Hello soon to be Grade 6!

We are super excited that you will be joining us in grade 6.

We learn a lot and we also have a lot of fun. We believe it is so important that we balance our day with fun activities as we know we learn best when we are happy.

Every afternoon after school we have a wide range of very interesting clubs to join, below is a list of the different clubs that you can choose from. In these clubs' learners always have fun and also have an opportunity to learn very important life skills that will be of great help in life.

Chess

Choir

Math Club

Environmental Gardening

Remedial English

Library

Drama

Science Club

Remedial Math

Aerobics

Debate & Public Speaking

Knitting & Sewing Club

Table Tennis

Volleyball

Learners further enjoy the privilege to go on excursions. This year learners were so thrilled to go on tours to Sun City, Hartbeespoort and Durban. There are also more excursions planned for next year. We are looking forward to you joining us to share the fun and the experience.

We hope that you will enjoy your time here as SA College Private School.

We cannot wait to meet you.

Your soon to be teacher.
