Grade 8 - 9 Subject Choices

Dear prospective Parents/Learner,

The following subjects are offered at SA College for every Grade 8 - 9 learner in order to build a strong educational foundation. Nine subjects are required and some need to be chosen. The learner has the choice of First Additional Language. Please make your choice between the two languages below.

SUBJECTS (tick on right hand side)		
1	English Home language	<input checked="" type="checkbox"/>
2	Afrikaans First Additional Language OR	
	Is-Zulu First Additional Language	
3	Life Orientation	<input checked="" type="checkbox"/>
4	Mathematics	<input checked="" type="checkbox"/>
5	Social Science	<input checked="" type="checkbox"/>
6	Natural Sciences	<input checked="" type="checkbox"/>
7	Technology	<input checked="" type="checkbox"/>
8	Economics and Management Sciences	<input checked="" type="checkbox"/>
9	Creative Arts	<input checked="" type="checkbox"/>

Please remember:

1. For a learner to qualify to offer Mathematics in Grade 10, a pass mark of 50% in Grade 9 is necessary in the final exam.
2. Physical Science may not be taken in combination with Mathematical Literacy in grade 10 -12.
3. For a learner to continue to offer Mathematics in Grades 10, 11 and 12 he/she must maintain a 50% average for the subject per term, as well as achieving 50% in the exam.
4. Learners requiring additional support will be placed on compulsory remedial classes with immediate effect.

Result of baseline English discussion:

Adequate for Grade 8-9

Not Adequate for Grade 8 – 9 **needs support**

Result of baseline Math's Test (attach to this form):

Adequate for Grade 8-9

Not Adequate for Grade 8 – 9 **needs support**
