Dear Prospective Parent

It gives me great pleasure to introduce you to **SA College Private School**, where Respect, Discipline and Academic accomplishments are high on the schedule and learners are encouraged to reach their full potential. SA College is a home away from home with a strong family atmosphere and sense of belonging.

Our school is located in the shadow of the Beautiful Union Buildings and the Statue of Nelson Mandela. Making this school the perfect choice, it is close enough to the city for working parents to swiftly and safely drop off their children in the mornings and then to proceed to their places of work. Likewise, parents are able to collect their children as late as 17:00 and the school always endeavors to provide a safe environment on the campus right up to the point of collection. We are your Solution!

The school management team consist of myself as Principal, Mrs. E Barret the Deputy Principal of the Primary School, Mr. WK Labuschagne who is the Deputy Principal of Discipline, Mr. W. Toland and Dr A. Mutigwa who are the Deputies of the High School. We lead a team of dedicated staff of professional educators who have the best interests of our learners at heart.

The school has operated successfully for more than 30 years and is highly rated by the Gauteng Department of Education. The school's Matric classes regularly achieve a 100% pass rate and the majority of our graduates proceed to tertiary study.

Emphasis is placed on enjoyment and effort in the pursuit of academic excellence. A special effort is made to provide opportunities for sporting and culture endeavors in order to develop the skills required for the real world beyond the school.

On a personal note, I am very pleased to introduce you to our Robotics and Coding division. We expect Great things from our learners!!

The school has a strong Christian religious base, yet we respect all religions.

A GREAT SCHOOL at an AFFORDABLE PRICE!

We invite your child to become another success story at SA College Private School.

Respectfully yours

MR M.A. CLOETE
